Important to Millers & Mill Owners.

THE undersigned would respectfully inform the engaged in the Milling Business in N. C., that he keeps constantly on hand and ready to supply at the shortest notice, that almost invaluable article
YOUNG'S IMPROVED PATENT SMUT AND SCREENING MACHINE.
The only Machine of the kind that has stood the test and given satisfaction to the public. It has surpassed every Smut Machine yet offered in the State, more or less of which has been taken down to make room for it. The public need not be disappointed, as there are now only 280 Machines running in N. C.; and I wish to offer no other references than the gentlemen who are using them, whose expectations have been more than realized in their performance. It not only thoroughly cleanses the Wheat (smut), but also purifies it of all other substances, almost to perfection. It takes up but 4 feet square in the Mill, and requires but little power. It is warranted to clear against cracking or wearing out, and also to retain its cleaning qualities for years.
There are a number of these Machines through which 100,000 bushels of Wheat have been cleaned, and they have never been out of order one day.
There was awarded to it the Premium at the Maryland State Fair, and a Premium with a Silver Medal, at the Fair of the Maryland Institute, at Baltimore, last Fall. Address the Subscriber at South Lowry Mills, Orange County, N. C.

PETERSBURG CLOTHING BAZAAR.

THE subscribers having purchased the entire interest in the store and the celebrated establishment, respectfully announce to the citizens of North Carolina that they intend to relax no effort to retain the liberal patronage heretofore received from the numerous customers of the Bazaar in the Old North State. Manufacturing goods as we do all our own clothing, and one of the firm being constantly in the market, thus having facilities for purchasing our cloths, cassaneres, &c. at first hands, and consequently at the lowest rates, are enabled to compete in prices with Northern houses, while our garments in point of style and workmanship, are not excelled by those of any other house in the State. It is unnecessary to enumerate the articles of which our stock is composed; suffice it to say that in our minds we have every thing pertaining to men's wear, and furnishing goods of the most recent style and in great variety.
Our Custom Department.
Is constantly supplied with the most desirable goods, and the preparing their garments made to order, can here find a large assortment to select from, and with an efficient force of workmen we can get up a single garment or an entire suit at very short notice. A good fit and perfect satisfaction guaranteed in every instance.
Merchants visiting the City should not fail to look through our stock, as we have opened an exclusive Wholesale Room, and manufacture largely, expressly for his branch of the trade.

NOVELTY WORKS,

WEST ST., RALEIGH, NORTH-CAROLINA.
SILAS BURNS, PROPRIETOR,
BUILDER OF
Steam Engines & General Machinery.
THE above establishment has been in successful operation about one year, and has turned out some of the best STEAM ENGINES, and SAW MILLS that have ever operated in this or any other State.
Orders are solicited for Steam Engines and Saw Mills, Mill Gearing and Machinery of every description to be completed during the Summer and Fall. The improved condition of the Raleigh and Gaston Rail Road will enable me to fill with dispatch and punctuality all orders after the 1st of July.
The following certificate will show the character of the work executed at the above Works:
ALEXANDER, Cumberland, May 15, 1852.

Mr. SILAS BURNS,
Dear Sir: Our Engine and Mills, made at your shops, have been at work nearly two months, and fully meet our expectations. The ENGINES, as to power and strength, PATTERNS, and accuracy, is in no way inferior to none in the State of the same class made here or elsewhere. The MILLS run with a smoothness and speed truly astonishing. In ordinary sawing we cut in 32 seconds or at the rate of 33 feet per minute, running to the top speed we fully believe we can cut 40 feet per minute. The only objection we have heard urged is, it takes too many hands to haul up logs and carry away lumber. Yours, &c.,
JONES & BARBEE.

I have understood he has been seen some where on the Central Rail Road, and think it probable he passes for a free Negro. Also, some means procured free papers. FOR THE NORTHERN CITIES BY

The Seaboard & Roanoke Railroad.

THE PUBLIC are informed that the Seaboard and Roanoke Rail Road Company have completed their new bridge across Roanoke River at Weldon, and are now prepared to transport passengers and freight from Weldon to Portsmouth and Norfolk, and the Northern cities promptly and with dispatch.
The Cars leave Weldon daily at 3-1/2 o'clock, P. M., and arrive at Portsmouth by 7 o'clock, P. M., in time to connect with one of the Chesapeake Bay Steamers, HERALD, GEORGIA OR NORTH CAROLINA, for Baltimore, and arrive at Baltimore early next morning, in time to connect with the morning train that leaves for Philadelphia and New York.
By this comfortable and agreeable route, Passengers leaving Wilmington in the morning train, will arrive early the next morning at Baltimore, and reach New York the same day, and without the inconvenience of a change of cars, and with but one change of persons and baggage between Weldon and Baltimore, and avoid entirely night travelling on Rail Roads. To render this route worthy of the travelling public, the company have employed careful and responsible stage drivers, who will accompany the baggage at Weldon through to Baltimore, consequently the traveller has no further trouble with his baggage until he reaches Baltimore.
Chesapeake Bay Steamers also stop at OLD POINT, to land and receive Passengers, and Passengers who leave Weldon at 3-1/2 o'clock, P. M., arrive at Old Point the same evening.
An arrangement has been entered into, by the different Rail Roads of the Seaboard Company, by which the same Through Ticket issued at Charleston, will leave it optional with the traveller to take either route at Weldon.
An accommodation train leaves Weldon every Tuesday, Thursday and Saturday morning for Portsmouth, Norfolk and OLD POINT, and returns to Weldon by either train for Old Point, will reach Old Point the same evening.
For THROUGH TICKETS to Baltimore and New York, and any other information desired, enquire of the Agent at Weldon.
